

## *A strong foundation*

At Harvest Preschool, children prepare for kindergarten in a Christ-centered environment, learning the fruits of the spirit and memory verses all year long.

Our program is largely implemented through play. Preschoolers have access to a variety of elements that encourage them to stretch and grow their abilities (even though they think they're simply having fun).

Our room is similar to a kindergarten room, divided into centers that allow children to explore a variety of educational experiences. Centers include:

- manipulatives
- dramatic play
- blocks
- writing/coloring

Students also participate in circle, story and snack times, which all assist in preparing them for what will be expected behaviorally in kindergarten.
